

“

For as in one body we have many members, and the members do not all have the same function, so we, though many, are one body in Christ, and individually members one of another.

Romans 12:4-5

### Call to Pray

**Our Church Body:** That God's hand would lead us every step of the way.

**Clarity & Peace:** That the Lord would provide discernment as you determine your family's unique commitment.

**A Heart of Service:** That our collective giving would be a joyful reflection of our trust in Him.

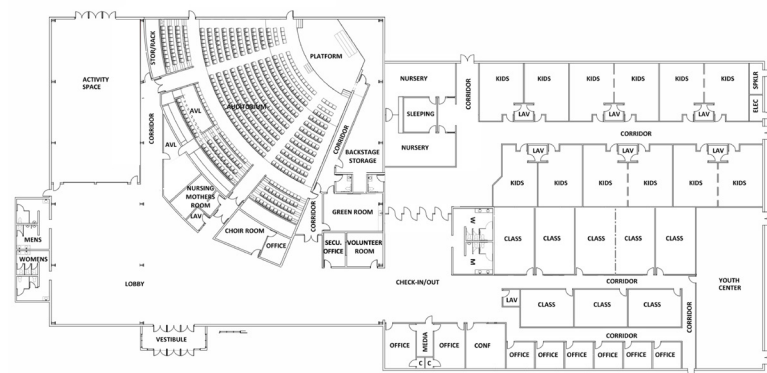

### Give Generously

Your contributions will directly support the building of our new church home. These sacrificial contributions are above and beyond tithing – Commitments can be fulfilled anytime over the next 3-4 years.

### Commit to Give

**Please return your enclosed form by July 31;** however, early commitments are encouraged! This helps us understand the intent of each family/individual and enables us to accelerate the building schedule.

# One Church. One Future.

Grounded in Christ | Building for Generations to Come

Our desire is for our church body to move forward as one, giving sacrificially to build a new facility that will serve generations to come. The new building will help us reach more people; therefore making more disciples into the future.

**One Church. One Future.** expresses our desire to gather as one church body, united in faith, fellowship, and purpose. It reminds us that our future is secure in Christ and moves us to build with coming generations in mind, so that more people may know the *One* who gives true hope and eternal life.

## The Need

Present facilities are undermatched to do the work we believe the Lord has called us to do. As we see the needs of our growing congregation and the continued growth of the Lebanon community, we recognize the need for space that will support future ministry and gospel expansion.

## The Vision

Our mission is: *“Meet people where they are and move them to where God wants them to be.”*

This new facility is thoughtfully intended to reach more people to share the gospel of Jesus Christ, making more disciples into the future.

## Why Build?

### Growth

A new facility allows room for expansion to bring more people to Jesus.

### Family-focused design

Safety for our vibrant children’s ministry.

### Unity

Worship and fellowship opportunities in one space again.

Upon completion, this new space will be a place of spiritual growth for generations to come, growing God’s Kingdom in the Lebanon community and beyond.
