

Welcome to 7th Grade at Grace!

I am Mr. Beck and will be your homeroom teacher this year. This will be my 2nd year of teaching at Grace and my 26th year of teaching in Lutheran schools. My wife, Cathi, and I moved here during the Covid Summer from Portage WI. We have three grown children who still live and work in Wisconsin. All three work in the fields of computers. The oldest is a Computer Aided Design (CAD) Technician, the middle handles Tech Support for a large Construction and Transportation Firm, and the youngest is earning his degree in Graphic Design while being a popular Youtubber. We like to spend our spare time visiting unique and interesting places in Florida and our extended family in Wisconsin, Illinois, Nebraska, Michigan, and Arizona.

7th graders at Grace will be learning how to mature as they transition from Middle School toward High School. I stress with them the importance of our relationships: with Christ, with their parents, and with each other. I teach 7th graders to be personally responsible and independent and to be positive leaders for others.

I encourage students and parents to communicate with me anytime there are questions or concerns. I stress the need for all of us to ask questions. Students may email me directly at any time. I will respond to any contact within 24 hours if not sooner. (Not counting weekends and vacation days.) I am available to meet or talk with with parents anytime.

I wish you God's Blessings as we embark on the journey that is 7th Grade.

Sincerely, Luke E Beck
