

Dear Parents and Students,

Welcome to Pre-K 4! I hope you are having a blessed summer vacation! I am already looking forward to August because there are so many things to be excited about for the upcoming school year! We will spend the year learning about so many wonderful topics like farm animals, Holidays around the world, outer space, and dinosaurs, plus a few others. We will read so many great books, do fun activities, and visit interesting places on field trips. The most exciting thing for me is that I will get to spend the year with you! You will play, learn and grow this year. You will not only grow bigger, stronger, and smarter, but you will also grow as a disciple of Jesus as we spend each day learning from God's word and praying for each other. I am looking forward to meeting all of you. I hope and pray that you continue to have a fun and safe summer and I'll see you soon!

Love in Jesus!

Mrs. Wolff and Mrs. Ferguson
