## to 4<sup>th</sup> Grade

I am so excited about a brand new year in fourth grade! We are going to have a great year, and I know we will be learning a lot while having a great time. My goal is to ignite a love for life-long learning and help every student discover their potential. We will spend a lot of time learning about Florida history, be actively engaged as mathematicians, see literacy come alive as we discover reading, writing, listening and speaking, and of course diving into God's word as we strengthen our faith walk.

I have been a part of the Grace family since 2007. I taught for 12 years in the 2<sup>nd</sup>-grade classroom, and am excited to continue my third year in 4<sup>th</sup> grade. I was born and raised in Minnesota (Go Vikings!) and have lived in Nebraska, Idaho, and Colorado. My husband is the 6<sup>th</sup>-grade homeroom, middle school science and art teacher at Grace. I have two sons who are both Grace alumni. My oldest son, Caleb, will be a sophomore at the University of Florida...Go Gators! My youngest son, Ben, will be a sophomore at Bishop Kenny. I play the piano, organ, and flute. I also love to read and spend time with my family. We love to swim, go to the beach, and watch sports.
