*High Ground Brotherhood is a weekly pornography and sexual sin counseling group that focuses on the underlying spiritual and emotional issues that contribute to unhealthy sexuality.*

## **What we will do:**

- Not beat you up
- Come alongside you
- Call you to repentance and its effective demonstration
- Help you to be restored to God, your wife, and your family
- Help you to become the man, husband & father God created you to be

## **What you should know:**

- If you are not serious about dealing with this problem, this group will not be a good fit for you.
- This group is not about playing games or checking a box
- This group is for men who are ready to take responsibility for themselves first
- We also offer a counseling group for your wife (High Ground Sisterhood)

## **What's the investment:**

- \$125 One-time Material Fee
- \$25/month Technology Fee covers required accountability software and technology
- \$35 per weekly session
- Payment is accepted via cash, check or credit card. Discounts are applied for monthly prepayment.

## **How do you get started:**

- We require a 15-30 minute individual appointment for each man either in person or by phone or video to determine if you and the group are a good fit. This is also a perfect time to answer any questions you may have.
