In "One in a Million," Bible teacher Priscilla Shirer invites us to change that pattern for good, living beyond our circumstances and expecting to see God move in miraculous ways day after day. Without a doubt, we can find and follow God's purpose for our journey. We can make it to the Promised Land!

"THE LONGING IN ME" by Sheila Walsh

Facilitated by Shearon Lehrack

Wednesdays, 10 am – 12 pm | January 11 - February 22

South Oaks Campus WC102 | Workbook Fee \$13

Do your longings have you going around in circles? You vowed to never repeat the same mistakes, yet here you are again, right where you started. What is it that keeps drawing you back? In this six-session video-based study, Sheila Walsh shows it is our longings that often lead us into such traps. She draws on her own experiences and the life of King David to reveal that all our longings are rooted in a need for God—and nothing else will satisfy when it comes to filling that void.

NEHEMIAH: REBUILDING AND RESTORING GOD'S PEOPLE

Facilitated by Rick Adams

Tuesdays, 6:30 – 8 pm | January 10 - April 11

Pioneer Campus 3rd Floor and ZOOM | Online Resources

When people are broken and alienated from the Lord, He always keeps His promises to rebuild and restore their lives. The Old Testament book of Nehemiah shows us how the Lord keeps His promises to His people. Nehemiah and Ezra were used by God to rebuild His covenant people and restore them to a right relationship to be used by God again.
