Goliath **Must** Fall

It is likely you have a giant in your life... an adversary that's diminishing your ability to live a full life. Frozen in the grip of rejection, fear, anger, comfort, or addiction, you've lost sight of God's promise for you and have settled for less than His best. He has a better plan for you—a plan for you to live in victory. That's why He silenced your giant once and for all.

In this next six session small group study, we will uncover a newfound twist in the story of David and Goliath. We will see how living free from our giants is not better slingshot accuracy, but by keeping our eyes on the only giant slayer: Jesus. Put your hope in Him and watch Goliath fall.

You're invited to be part of this small group beginning on Wednesday night, May 23rd. This will be a 6 week study only and will begin at 7:00pm. We encourage you to bring a friend. Develop your walk with Christ and grow in your knowledge of Christ.

Let us know you're coming so we can be ready for you! You can sign up for this class in three ways:

1. RSVP card in the back of the seats
2. Call church office at 717-800-1575
3. Email us at: familylifewoxford@gmail.com

See you there!

Happy Father's Day!!

In just a few weeks on June 17th, we will celebrate one of the greatest days of the year. According to Wikipedia, "Father's Day is a celebration honoring fathers and celebrating fatherhood, paternal bonds, and the influence of fathers in society." Webster's says that a father is, "1. A male parent. 2. A father-in-law, stepfather, or adoptive father. 3. Any male ancestor, especially the founder of a family or line. 4. A man who exercises paternal care over other persons; paternal protector or provider.

No matter what the definition you may give it, a Father is that special man in our lives that was there for us, is there for us now and will be with us into the future. They are there for protection, guidance and many times great advice. Many times, when we were younger, our Fathers' advice may have been looked at as out of touch or of no real value. As time has moved on many of us have found that "dads" have become much smarter and their advice is almost always right. Amazing how time changes our perception. It has been said that it takes more than just being male to be a Father.

So to all those who are Fathers and to all those who are Fathers to others, THANK YOU and HAPPY FATHERS DAY!!!!

Each day this month I encourage you to go out of your way to show your love and appreciation to these great guys! It's not just the big things you do, it's the little things. Leave them little notes, cook them special meals, and the best of all just the simple way you say, "Dad, I love you!" Some of our church family may have already lost their "dads" here on this earth. We encourage you to celebrate the great moments you had and life that they lived and left for you!

The HOLY **Spirit**

Some people may ask, "Why another class about the Holy Spirit?" It is true there have been many classes dealing with the Holy Spirit and his ministry to the church. However, today some people—even some Pentecostals—are questioning long-held beliefs about the Holy Spirit. The answer to this should be obvious. The Holy Spirit baptism is, and always has been, the empowerment and driving force for evangelism. Jesus made it clear to His disciples the purpose of the infilling of the Holy Spirit they soon were to receive when he said, "But you shall receive power when the Holy Spirit has come upon you; and you shall be witnesses to me in Jerusalem, and in all Judea and Samaria, and to the end of the earth." Acts 1:8

During the first part of this class we will be looking at six topics. These will include: Who is the Holy Spirit?, The Holy Spirit in the Old Testament, The Holy Spirit in conversion, The Holy Spirit and the believer, An Initial evidence of the Holy Spirit baptism, and The Holy Spirit and the 21st Century Church.

You're invited to be part of this small group beginning on Wednesday night, May 23rd. This will be a 6 week study only and will begin at 7:00pm. We encourage you to bring a friend. Develop your walk with Christ and grow in your knowledge of Christ.

VOLUNTEER SPOTLIGHT

The light shines on our Bekka Johnson this month. This is a special time in her life for she is a high school graduate! She has been a part of our church since she was small. She has helped with the children's ministries, works with the sound for our services and is always willing to help out wherever she is needed. She is quite the runner and sang with county chorus also in school. We are so proud of who she has become. Congratulations Bekka! We love you!

NEXT STEPS?

If you feel God is dealing with you about a specific ministry, set up a time to speak with the pastor about it. We believe that when we were made, that God placed an exact assignment of ministry in each one of us. His specifics show up in our interests, talents, and anointing. What is He calling you to today? Step into it, for there is where you will be fulfilled. What have you been holding back on doing? Trust Him.
