Dear Church Family,

We want to inform you that the GABC Board has established a task force to review our church's current bylaws. The purpose of this task force is to evaluate our existing governance structure and recommend updates that will help us better align with biblical principles and the current needs of our congregation. This endeavor is not merely an attempt to unwind past challenges with our current bylaws, but rather a forward-looking effort to establish sound and transparent church governance for the future.

As part of this process, copies of the two most recent versions of the bylaws are being made available. It is important for each member to take time to review these documents and become familiar with both versions of the bylaws and the role of each church member as we move forward together. Please send your questions or feedback to BylawTaskForce@groveave.com.

This is an important step in ensuring that our church operates with clarity, accountability, and faithfulness. The task force's recommendations will be shared with the congregation once the review is complete. We will keep you informed throughout the process and provide opportunities for feedback and discussion.

Please join us in praying for wisdom, unity, and discernment as this work moves forward.

In Christ,

GABC Bylaw Task Force Members
