Confronting the Powers

Deuteronomy 32:8-9

Psalm 82

Daniel 10

1 Thessalonians 2:18

Daniel 10 reveals that behind the geopolitical conflicts of the world are unseen spiritual powers influencing the nations. In the fifth message of our series, Pastor David explores how Daniel's vision connects to Deuteronomy 32:8-9 and Psalm 82, what the biblical role of angels is in the cosmic war, and why "spiritual warfare" is not primarily about fear or fascination with spiritual beings, but about faithfully partnering with God in the spiritual fight against evil—beginning with intercessory prayer.

PRINCIPALITIES & POWERS *current sermon series*

The Apostle Paul wrote, "For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms" (Ephesians 6:12). The Bible tells a story of a real cosmic conflict—where spiritual rebellion has corrupted the world—but through Jesus, God is reclaiming the nations, and he invites his people to participate in this spiritual fight through prayer.

Principalities & Powers: Our Spiritual Fight Against the Forces of Darkness is an 8-week sermon series exploring the unseen spiritual conflict behind human history, the victory of Christ over evil, and the role of believers in spiritual warfare through prayer. Join us each week (May 3-June 21) as we learn about our real enemy and how to fight like Jesus.
