Pool Party @ Hudson's – 205 Putters Circle, Dillsburg, 4pm-8pm.
Youth and their families are invited to celebrate the end of summer with a bbq/pool party. Hudson's will provide hamburgers and hot dogs, please plan to bring a side or dessert to share.

#Combined LCs – all adult LC groups meet together for a common topic. Youth are welcome and encouraged to attend. Youth leaders will be at the combined LC.

^Dinners – before our special evening worship services, we will have dinner with some invited adults from the greater church body, providing an intergenerational bridge for youth and adults to meet and connect. These adults would then attend the evening worship with the youth.

*Service Night – We can take up to 5 youth to Salvation Army to prep and serve dinner to the homeless in Carlisle; youth that do not go to SalVal will serve MCC through packing kits at the church.
