SVA Church

Volunteer Position: *Livestream Operator*

Overseen By: *Worship Director*

Time Commitment: *Varies, Once every month or every other month*

Purpose of Position:

Our Livestream Operators manage the technical aspects of our online services. The ideal volunteer will have knowledge of live-streaming equipment and software, be able to troubleshoot technical issues, and work well in a team. This role is a necessary asset to help serve those who are checking out SVA online or unable to attend services in-person.

Responsibilities & Expectations:

- *Show Set up and manage live-streaming equipment and software*
- *Monitor livestream during services to ensure quality control*
- *Troubleshoot technical issues during livestream services*
- *Work with church leaders to plan and prepare for livestream services*
- *Collaborate with other volunteers and staff to ensure seamless execution of services.*
- *Provide technical support to pastors, musicians, and other participants during livestream services*

Special Qualifications for this Position:

- *Knowledge of live-streaming equipment and software*
- *Familiarity with video and audio production*
- *Ability to troubleshoot technical issues quickly and efficiently*
- *Strong communication skills*
- *Willingness to learn and adapt to new technologies and software*
- *Availability to work during livestream services (Sundays and occasional evenings)*
