

Volunteer Position: *Photography Team*
Overseen By: *Communications Director*
Time Commitment: *Varies, As often as you are willing to take photos*

Purpose of Position:

Capturing the life of our community and the Spirit of God through still images is a unique art that aids in our ability to reach new people in the community. As a Photography Team member you would seek to capture moments and experiences on Sunday morning or other SVA events. These photos would then be used in various formats (website, social media, print materials, etc.) to aid in the communication of our church efforts and ministries.

Responsibilities & Expectations:

- *Allocate time before and after services to be available to capture photos*
- *Capture photos of key elements of service (worship, sermon, announcements, prayer)*
 - *Ensure that no flash is on during services*
- *Capture photos of interactions, embraces, conversations and families as appropriate*
- *Respect others and be aware of your energy*
- *When appropriate, ask for permission if a photo is more private in nature or the individual being shot would like to see*

Special Qualifications for this Position:

- *Experience with photography (no professional experience needed)*
- *Ability to bring and use your own camera device and uploading equipment*
- *Eye to see and catch special moments of the life of our community*
