Good morning, Church Family!

Are we disciples? Are we disciple makers? These were the two questions that we were challenged with on Sunday morning. As we consider these questions, let's all think about our next step in being a disciple and a disciple maker.

Here are a few things going on this week:

- If you haven't looked at our church website lately, Visit www.northwestcommunity.org to check out the new, fresh winter vibe.
 - With the new year arriving, most of our Life Groups began meeting again. If you have never plugged into a Life Group before, visit the Life Group page to check out what is going on and consider joining one. See the contact information if you have any questions.
 - There were nineteen in attendance at the Safety/First Aid Training. See the picture below.
 - Please pray for the deacons and elders as we meet next week to continue planning and preparing for the opportunities that another year brings us.
 - Pastor Kerry will be preaching a message this Sunday entitled "Preparing for the Harvest" from John 4:27-38.
- Blessings on your week!

Dustin, Dan S., Lonnie, and Dan J.
