

Good morning, Church Family!

[2 Peter 3:9-15a](#) What holy and godly lives look like; A lifestyle of worship, in the power of Holy Spirit, which leads to a growing emotional maturity that...

- Use words that bring hope and healing rather than hurting.
- Uses money as a tool, not a false God.
- Surrenders sexuality to the sovereignty of God.
- Lives to serve... while practicing selfcare.
- Experiences the joy of Christ, despite living in a broken world.
- Has a heart posture so enamored with Christ that our clothing brings honor to Him in our modesty.
- A hunger for lost people to know Christ and the power of His resurrection.
- An ability to die on the right hill theologically.
- Growing out of the social media trap of comparison, compromise, criticism, and condemnation.
- Satisfaction with spouse or in singleness.

- Pastor Scott & Diane and Dan & Lillian attended the Berean Fellowship 2026 Connect Conference at Maranatha Bible Camp this week. It was a great time of encouragement and connecting with others from many of our fellowship churches. Larry DeMoss, one of our former interim pastors sends his greetings to the NCC family. See the picture below.
- Pastor Scott Mathis will continue his series in the book of 2 Peter this Sunday – Don't Be Gaslighted...
