NCC Connection 06/04/2026

Good morning, Church Family!
Perhaps one of the greatest tools we have in sharing the gospel is the telling of our own personal story of accepting God's gift of salvation—we all have one! Isn't it amazing how the Lord can use our experiences—even our mistakes—to help others more fully understand this most wonderful gift!

Here are a few things going on this week:

· The men's event Monday evening included hamburgers, another cornhole tournament, and a challenging message from Tom Rempel from 1 Corinthians 16:13-14. See the pictures below.

· Thank you to all the volunteers who are facilitating a great VBS week! By pulling together, you have been able to serve many children and help sow the seeds of God's Word in their lives! See the pictures below.

· Thank you to all our Sunday School teachers who have faithfully served over the school year! There will be no Sunday School during June and July. You are all encouraged to stay for coffee and fellowship or take advantage of the Summer Seminar opportunity; more information below.

· This Sunday Scott Mathis begins his summer ministry with us. He will be preaching a message titled, "Our Why's Determine Health…"

Summer Seminar
Ivan Kring will be hosting a Summer Seminar on a variety of End-Times related topics in the C-3 classroom at 10:30am each Sunday during June and July. Come check it out.

Service Opportunity
Are you looking for a way to serve the body? Are you tech savvy? Or willing to learn? We'd like you to learn how to operate our Audio Visual system and join the AV team. If you have questions or would like to learn more, please contact Trentyn Beekman or Bryce Jerred.

Blessings on your week!
