

# NCC Connection 01/15/2026

Good morning, Church Family!

Preparing for the harvest starts before the seed is even planted. We as a church family are a disciple making Team, so whatever your part is—preparation, planting, cultivating or harvesting—it's all a part of a team process to achieve the harvest. As we press into the new year ahead, we all have a part to play!

Here are a few things going on this week:

- Anchor Crew and Axis started back up this week.
- The deacons and elders spent time giving thanks for answers to pray and praying for needs within our church family.
- Pastor Kerry will be preaching a message this Sunday entitled “The Importance of Being Prepared” from Matthew 25:1-13. A new Men’s Bible study on Monday evenings will begin January 26th. Visit our website for additional information and how to order the book and workbook.

Interested in exploring membership at NCC? Mark your calendar! A membership class has been scheduled for Sunday morning, February 15. The class will meet during the Sunday School hour. Come to learn more about NCC. Bring your questions.

The NCC Annual Meeting will be held Sunday January 25th. The meeting will take place about ten minutes after the morning worship service and is open to both members and attenders. A potluck meal will follow the meeting.

Blessings on your week!

Dustin, Dan S., Lonnie, and Dan J.
