

# NCC Connection 04/16/2026

Good afternoon, Church Family!

Only one day a year is called Resurrection Sunday (Easter), but we have the privilege of serving a risen Savior every day. The same Holy Spirit who was sent to enlighten, energize, and encourage the disciples into church-building apostles is available to us today by believing in the death, burial, and resurrection of Jesus Christ to pay our debt of sin. Nearly two thousand years since those apostles began building the church, we have the privilege of doing the same. As a local church, we all play a part in that effort. Pastor Kerry closed his message with these challenge questions: How am I doing with evangelism? Who am I discipling?

Here are a few things going on this week:

- The deacons and elders held their regular monthly meetings this week. About half of our joint meeting together was spent praying together for the many needs in our church family: grief/loss, sickness, military deployments, burdens/suffering. We can find hope, rest, and help from our heavenly Father to bear our burdens and mend our brokenness.
- A big thanks to the deacon team for planning, acquiring, and installing a new microphone system for the sanctuary. The new system includes three wireless handheld microphones and two headset-style microphones. Thank you for providing your skill and expertise to improve our tools for high quality in-house and live-stream sound!
- A group of eight men recently completed the Servant Leadership Training class and were recognized with certificates. See the picture attached.
- This Sunday Pastor Kerry will be sharing a message titled, "New Birth" from John 3:1-21

Membership Class

Interested in exploring membership at NCC? Mark your calendar! A membership class has been scheduled for Sunday morning, April 26th. The class will meet in the sanctuary during the Sunday School hour. Come to learn more about NCC, and bring your questions.

Blessings on your week!

Dustin, Dan S., Lonnie, and Dan J.
