

# NCC Connection 01/29/2026

Good morning, Church Family!

Last Sunday Pastor Kerry challenged us from the book of Jonah—and will continue to do so in the weeks to come. Our hearts desire is to respond positively to the Lord—to trust Him implicitly. The “incidentals” (the big fish, the wind, the boat) will be different for each one of us, but let’s be a church of faithful servants on mission for God!

Here are a few things going on this week:

- The annual meeting gives us a snapshot of all that goes on at NCC. But, a part of “our” ministry is connected to all the interactions that we make with the people in our spheres of influence. Keep on building and investing.
- A big shout out to all the teens who helped with the child care during the annual meeting! It was so nice for us all to be able to concentrate on the information that was being presented. Thank you!
- Pastor Kerry will be preaching a message this Sunday entitled “The God of Second Chances” from Jonah 2:1-10.

Interested in exploring membership at NCC? Mark your calendar! A membership class has been scheduled for Sunday morning, February 15th. The class will meet during the Sunday School hour. Come to learn more about NCC, and bring your questions.

Blessings on your week!

Dustin, Dan S., Lonnie, and Dan J.
