

# NCC Connection 12/18/25

Good morning, Church Family.

Joy is the theme for the third Sunday in Advent. How do we as ordinary people attain the extraordinary? By giving God our “yes” answer in the form of obedience and surrender. Joy can be found in the center of God’s will.

Here are a few things going on this week:

- See the pictures below of the recent Brunswick baby shower.
- See the pictures below of the Operation Christmas Child team that went to Denver last weekend.
- We were blessed to hear the Christmas message from the teens and kids this last Sunday. Thanks to Sara and Elisha for organizing the program! As the kids were getting ready, they were asked why we share this story every year? One child answered, “So we don’t forget.” A profound statement! Thanks to Shelia and Keri for preparing the cookie reception after the program! See the pictures below.
- This Tuesday Pastor Kerry completed the servant leadership training course that he began last month. About fourteen men took part.
- Pastor Kerry will be preaching a message titled “Touched by the Spirit of God” from the Gospel of Luke 1:39-50.

As we will soon be turning the corner into a new year, our NCC Annual Meeting will take place on Sunday January 25, 2026. More details to follow.

Blessings on your week!

Dustin, Dan S., Lonnie, and Dan J.
