Happy New Year, Church Family!

A new year is upon us. As our minds naturally think about resolutions and things we would like to change, what should we be striving toward together as a church family? One of Pastor Kerry's first messages to us was titled Christianity is a Team Sport – Visit the website or the YouTube channel if you would like to review that message. Please pray for the elders and deacons as we prepare and plan for the upcoming year. Since we all work together as a team, let's take our best out onto the field of life as we strive to accomplish the goal of being effective disciples.

Here are a few things going on this week:

- See the picture below of most of the men who completed the servant leadership training course.
- It was a blessing to gather for our Christmas Eve service to remind ourselves of the incredible gift of the incarnation and birth of Jesus Christ. It was a packed house! See the picture below.
- See the pictures below of the New Year's Eve gathering and celebration.
- Pastor Kerry will be preaching a message titled "Understanding the Great Commission" from the Gospel of Matthew 28:16-20.
- This Sunday, our Sunday School classes will be meeting again. Here are a couple of updates for Adult Sunday School options: A new class titled God, Bible and Logic will be taught by Gary Burruss in room B-6. A new class titled Prophecy, Starting in Genesis 1:1 will be taught by Ivan Kring in room C-3.

Blessings on your week!

Dustin, Dan S., Lonnie, and Dan J.
