Good morning, Church Family!

There is no better place to be... than in the center of God's will. Jonah learned some lessons in chapter two, and God used the storm and the fish to get Jonah moving in the right direction. Let's remember that the Lord has a plan for our lives, a plan that comes from a holy, heavenly Father. Let's strive together as a church family to pursue His plan for our lives.

Here are a few things going on this week:

- The deacons and elders spent time together praying for needs within our church family – especially for the various illnesses that have been going around.
- Four additional handicapped parking spaces have been added to the northwest corner of the parking lot. Planning for a sidewalk to these additional spaces is being worked on.
- Pastor Kerry will be preaching a message this Sunday entitled "Jonah's Anger – God's Compassion" from Jonah 4:1-11.
