

Bethel Women of ELCA

Pin Nomination Form

Dear Bethel Member:

Pins are given each year to members of Bethel who have served the congregation in various ways. Over the years, numerous members have been recognized with a pin as individuals who are living their faith and making voluntary contributions to Bethel Lutheran Church and their community. The master list is posted on the Bethel Women's bulletin board enabling you to check if your nominee has been presented a pin.

You are invited to make recommendations of anyone you think should be recognized for their service. Please complete the form below. Pins will be presented at the Spring Coffee. It is strongly recommended that you be there to present the pin to your nominee. We would also like the pin recipient to be present at the coffee, if possible.

Please return all nominations to the Mission Growth mail slot in the church office by April 10, 2026..
