We are an open and affirming congregation that celebrates all people as sacred creations of a loving God. We embrace the fullness of human diversity - across orientations, identities, experiences, and backgrounds - and seek to follow Christ by offering love, compassion, and acceptance to all. In that spirit, we welcome everyone to participate fully in the life, leadership, and ministry of our church.

Today's Meditation

We should never forget that Jesus was executed in the name of "freedom and justice" - whether it was the Roman version or the Jewish version. But the cross shames the ancient deception that freedom and justice can be attained by killing. The crowd believes this pernicious lie, but Christ never does.
