Youth Consent Form

Inquiry for Minors

I give permission to the Fredericksburg Regional Food Bank (FRFB) staff to seek treatment in case of injury to my son/daughter and allow them to take other action should a medical emergency arise. I release FRFB, its sponsors, employees, board members, volunteers and agents from any and all claims and liabilities (including costs and attorney fees) arising out of or in any way connected to my child's volunteer activities, unless the claim is based upon the conduct of an FRFB employee in the course and scope of his or her employment. I further agree to indemnify and hold FRFB harmless from any and all claims arising from my conduct or the conduct of my child while he or she is volunteering for FRFB.

Photo Consent

I give consent for any films, videos, or photographs that may be taken of you to be used by FRFB or any of its participating agencies in any publicity and/or advertising programs which may be undertaken by these organizations in the conduct of their legally incorporated purposes. I release FRFB, its participating agencies and any consultants from any liability in connection with the use of such materials.

Confidentiality

It is understood that as a volunteer of FRFB you will protect the privacy of all those we serve by maintaining strict confidentiality when discussing recipients. Under no circumstances should a volunteer from FRFB divulge recipient information to anyone outside the organization. Volunteers must uphold confidentiality toward the people of FRFB services, its agencies, colleagues, donors, sponsors, staff, volunteers, and applicants.

Policies and Procedures

Guidelines and policies outlined in the Volunteer Handbook are provided on the website and available to all volunteers for review. I certify that my child and I have read and understand the guidelines and policies. In agreement that my child will follow and abide by all rules and regulations required by FRFB.

I acknowledge that my child may be working in an environment where forklifts, pallet jacks, and trucks are in use, and where heavy boxes of food are stacked on pallets. The FRFB works with volunteer church groups, corporate businesses, schools, work release programs, civic groups, community service, adults, and peers. I understand that my child may be working with these populations. I believe that my child is mature enough to behave appropriately while he or she volunteers.
