## NEW SERMON SERIES BEGINS SEPT 21

In Malachi, God mercifully has a series “Hard Conversations” with his people because he loves them and he wants them to respond rightly to him. Some of them and they experience the goodness of God that far exceeds any good we can create in our own power. But, many do not respond well to these hard conversations and things don’t end well for them. If God were to have a hard conversation with you, what would he say? What issues would he address and how would you respond?
