LOOKING BACK

Senior Night and Color Wars! We had an incredible time celebrating and honoring our seniors. This class has a depth of spiritual wisdom to share that we can't wait to see how God uses where He is leading each of them next. They are a class full of high level student leaders who are becoming Kingdom shakers for God! Our color wars battle was epic as well! Teams ran all across campus completing challenges all while getting dosed in colored powder! There was no bottling up the smiles and laughter on this event!

LOOKING AHEAD

SUMMER CAMP 2026!! This is an epic camp you don't want to miss!! For all incoming Middle Schoolers to outgoing High School teens, come disconnect and recharge through Big Field Games, tubing, wake-boarding, sport courts, cafe, paintball, swimming pool and waterfront inflatables, engaging events and more, all with teens in mind. We also gather for worship sessions focussed on The Bible in taught in a relatable way to teenagers. Camp is truly life changing! Come be a part of it!

Our camp speaker, Britton Bishop, will be focussing on the theme of "LOCKED IN"- learning to live, all in, with an undivided heart, on the things that lead to real life! How can we live consistent in the midst of the constant highs and lows of life situations? What does real transformation look like? Camp 'Locked In' will be impactful!

CURRENT SERIES

Connected - This series looks at the fruit of the Spirit as an answer to how we live in authentic community with each other when people can just be...people!

WHY IS SUMMER CAMP IMPORTANT?

It is transformational! Connection with friends and new friends. Connection with Leaders who care. Connection with God. Whether you have a relationship with God or not, believe in a god or not, camp is for you! Camp is a unique opportunity for students to disconnect from stressors of life and phones, and then reconnect with each other, with leaders, and with God. Camp is a time where students can have an absolute blast, be themselves, be challenged in a healthy way and be cared for in an intentional way. I have been deeply impacted by camp and have seen way too many students lives be eternally changed to not pour everything we have as a youth team and church into seeing God at work through Summer Camp! Let's get more students, no matter their home life or situation, to camp this year!
