LOOKING BACK

SUMMER CAMP LOCKED IN! God truly answered prayers in tangible ways for new faith, developing faith, and maturing faith. 45 students surrendered to Christ, 23 got baptized, and over 60 took a major step in confessing sin. This camp was not without roadblocks but every step of the way God's leading was clear! Satan tried but failed and God was still VICTORIOUS! There are many in this next generation who are LOCKED IN on Jesus and living with an undivided heart (Ps. 86:11).

LOOKING AHEAD

NEW MINISTRY YEAR

LET'S GO!!! My prayer for this year is that God would bring HEALTHY KINGDOM GROWTH. We want to see personal and group growth that originates from healthy leaders who deeply care for these students. We want to see students grow in leadership, discipleship, and a passion to evangelize. Now is the time to INVITE Middle and High School friends who need community, a safe and fun place, and encouragement to grow.

OUR MISSION

Help students meet, know, and follow Jesus by pointing them to Jesus in all things.

OUR HEARTBEAT

- GPY is a place students want to be
- It is Fun, Alive, and Authentic!
- Leaders who care and are consistent!
- Parents that are engaged and spurred on as ministers on the front lines!
- God's Word would be central and proclaimed boldly!

PARENT NIGHT

This is your night to come to Youth Group with your student. You will get to see and be a part of worship and teaching time with the students and then will have your own opportunity to connect with other parents and with Jonathan. Plus there will be hot tea and cocoa and desserts for all the parents!

CURRENT SERIES

The Abundant LOCKED IN Life

This series is a look back at our theme from camp and applying it to student's lives right now, post camp. Jesus calls us to surrender our life so that we may live both eternally with Him but also abundantly now. This does not mean we get whatever we want but that our desires begin to mold to God's will.
