RUCKER MENTORING PROGRAM

Prosper ISD is implementing a District-Wide Prospering Promise Partners (PPP) mentoring program and has asked for our help to enlist mentors for Rucker Elementary.

This is an opportunity to positively impact students by connecting them with dedicated community mentors like you. The aim of PPP Mentoring is to help every student feel seen, supported, and encouraged.

FILL THE BUCKET MISSION PROJECT

Our Missions Team is on a bucket mission. We are filling buckets, buckets and more buckets, actually 50 buckets and we need your help. UMCOR flood buckets are five gallon buckets filled with essential cleaning supplies assembled by churches and individuals to help disaster victims begin the cleanup process after floods, hurricanes, and tornadoes. These buckets help to care for the most vulnerable people during times of crisis. By donating kit supplies or financial gifts to purchase the supplies, you make a direct, tangible difference in sustaining people's lives.

CELEBRATE PROSPER

Saturday, Oct. 4th

Celebrate Prosper is an annual community party in the park! Held at the beautiful Frontier Park, attendees relax in the outdoors and enjoy entertainment, food, and fun with neighbors and friends.

Prosper UMC will have a booth this year. We are looking for a few volunteers to welcome people. This can be a fun way of serving for the entire family. Please sign up for a short shift!

Have you noticed the parking lot looking quite full at times throughout the year? We have, too! For the last 6 months, we have been working hard with engineers, contractors and the Town of Prosper to find a solution. While the goal is to have permanent parking that aligns with our campus expansion, a temporary parking lot answers the more immediate calland at a fraction of the cost! After many iterations and strategic considerations, we are about to get underway. This project will add 122 spots to our already existing 117, thus more than doubling. This will be enormously beneficial for events, busy Sunday mornings, and busy weeknights with multiple ministries and outside groups meeting at once. This also opens up new possibilities for expanding

our ministries and outreach in creative and helpful ways.

Because of savings during the construction project in 2022 and the continued generosity of many, this parking lot budget of \$204,500 is completely covered. We give great thanks for your continued financial support of PUMC's ministry, and we give great praise to God for the blessing to expand them for the sake of many. What an amazing church this is!

The parking lot will be constructed using a helpful new geogrid product that is used for stabilizing soft subgrades and reinforcing trafficked surfaces. On top of that will be a layer of recycled D-2 flexbase and then a layer of asphalt millings. All of this will be highly compressed for a smoother finish.

Don't be surprised when you come by and see construction equipment and progress already being made. The project will take approximately a month to complete. We will be posting pictures along the way.

Grace and peace,

- Jason
