## DISCUSS

Who wrote the book of John? Is this the same John as John the Baptist?

How do verses 6-7 describe John the Baptist? What is his purpose?

## DISCUSS CONTINUED

What does a witness do? What does a witness not do?

How does this illustration help us understand John's purpose?

How does it help us understand our purpose?

What areas of our culture do you see false light or darkness today?

Read verses 9-13. What message was John bearing witness to about the "true light?"

How would you explain the Gospel (the good news of Jesus) to someone?
