

Osiyo Tsunalii (Hello Friends),

Here is the list of resources I promised.

I am the creator and producer of the annual Vine Deloria Jr Theological Symposium every year in November, hosted at my alma mater the Lutheran School of Theology at Chicago. Links to this past year's recorded sessions can be found here...

I had the pleasure of editing the Fall Equinox Edition of the electronic magazine www.AllCreation.org. The young women authors and climate activists are amazing. Check it out!

Truth and Healing

Please take some time to read through the bill titled "[Truth and Healing Commission on Indian Boarding Schools Policy Act](#)" and the [Investigative Report](#) produced by the Department of Interior.
