

Call Committee Update

6.13.26

The Call Committee is pleased to provide an update on our progress as we continue the process of discerning God's guidance in calling our next Lead Pastor.

Since our first meeting on May 13, the committee has been meeting weekly to build a strong foundation for the call process and to ensure we are proceeding thoughtfully. During these meetings, we have been studying and discussing the Ministry Site Profile (MSP), using it as our primary point of reference as we identify the qualities, gifts, and leadership characteristics we believe are important for our next pastor.

To encourage congregational participation, we launched the Open Nomination Process, which will remain open through June 21.

On June 9, members of the committee participated in a Synod Listening Session led by Bishop Patricia J. Lull. This session provided valuable insights and perspectives that will help guide our work throughout the call process.

Looking ahead, our Synod representative, Krista Lind, will present candidate profiles to the committee on July 22. Following that meeting, we will begin reaching out to candidates and anticipate scheduling first-round virtual interviews beginning the week of July 27.

We appreciate the continued prayers and support of the congregation and Church Council as we move forward in this important work.
