

# Transition Team Updates

## UPDATE: January 8, 2026

### Transition Team Update

- Transition Team (TT) members are currently reaching out to leaders of congregational groups to schedule listening sessions. Our goal is to finish listening sessions by the end of January.
- If you have additional thoughts to share after you've participated in a listening session, feel free to reach out to the TT again.
- In February and March, the TT will share survey/listening session response data and offer dialogue discussions.
- Our goal is to have the Ministry Site Profile completed in April and presented to the congregation in early May.
