

Welcome to Seeds of Joy Christian Nursery School!

We are a ministry of the First Presbyterian Church of Ambler, whose mission is to invite and connect seekers to know God, grow in faith and serve Jesus together. We are an equal opportunity child care provider. Financial scholarships and participation in the PA Child Works program is available for all eligible families.

About Us

At Seeds of Joy Christian Nursery School, we believe children learn through play and experience. Our teachers shape and build on their play and experiences through observation, conversing with them, and by encouraging them to explore the world around them. Our teachers and assistant teachers guide children while maintaining a safe, and inviting environment that demonstrates God's love for them. Students are introduced to many enriching educational activities, including early literacy, movement, music, art, and sensory play.

SEEDS OF JOY
CHRISTIAN NURSERY SCHOOL

Why Choose Us

Using exploration, open ended play and discovery as a way of learning, our curriculum at Seeds of Joy allows children to develop confidence, creativity, and lifelong critical thinking skills. We are committed to sharing God's love through our prayer, chapel times, community service projects and our everyday interactions with children.

We are licensed by the Pennsylvania Department of Human Services (DHS) and Office of Child Development and Early Learning (OCDEL).

We are designated as a STARS 2 Program in Pennsylvania's Quality Rating and Improvement System.
