INDIVIDUALIZED EDUCATION PLANS (IEP) & INDIVIDUALIZED FAMILY SERVICE PLANS (IFSP)

SHARING INFORMATION WITH OUR SOJ TEAM

Children enrolled in our program have a diverse set of needs. It is important to gather as much information as possible about the best ways to address these needs in our classrooms. The Keystone Stars Performance Standard for Pennsylvania require each early learning provider to request copies of IEPs and IFSPs for the children enrolled in our program.

The information found on an IEP/ IFSP is protected by privacy laws including the Health Insurance Portability and Accountability Act (HIPAA).

Our staff will need to speak to members of a child's treatment team in order to work side by side with them in our program.

We want to be an active team member in your child's services. Please share with your teacher and our director, your child's IEP/IFSP. Invite us to your child's IEP meetings so that they can implement instruction accommodations for your child in our classrooms. Finally, share your child's service providers' names and emails so that we can communicate with them regarding your child's needs as well as school closures or absences.
