

## OUR MISSION

Welcome to Seeds of Joy Christian Nursery School!

We are a ministry of the First Presbyterian Church of Ambler, whose mission is to invite and connect seekers to know God, grow in faith and serve Jesus together.

We are an equal opportunity child care provider. Financial scholarships and participation in the PA Child Works program is available for all eligible families.

## WHY CHOOSE US?

At Seeds of Joy Christian Nursery School, we believe children learn through play and experience. Our teachers shape and build on their play and experiences by following the Pennsylvania State Standards of Learning for Older Toddler and Pre-K students. Our Pre-K students are instructed in Foundations, the Wilson Learning System. Foundations is a research-based, multisensory, structured literacy program for teaching foundational reading to students in Pre-K. Our neighboring school districts, Upper Dublin and Wissahickon use Wilson for the literacy curriculum in grades K-3<sup>rd</sup>.

Students are introduced to many enriching educational activities, including early literacy, mathematics, science, social studies, movement, music, art, and sensory play throughout their day at Seeds of Joy.

SEEDS OF JOY  
CHRISTIAN NURSERY SCHOOL

## 2026-27 FAMILY BROCHURE

Using exploration, open ended play and discovery as a way of learning, our curriculum at Seeds of Joy allows children to develop confidence, creativity, and lifelong critical thinking skills. We are committed to sharing God's love through our prayer, chapel times, community service projects and our everyday interactions with children.

We are licensed by the Pennsylvania Department of Human Services (DHS) and Office of Child Development and Early Learning (OCDEL).

We are designated as a STARS 2 Program in Pennsylvania's Quality Rating and Improvement System
