

THE LEGACY INITIATIVE

That the generation to come might know, even the children yet to be born, that they may arise and tell them to their children, That they should put their confidence in God and not forget the works of God, but keep His commandments,

Psalm 78:6

The Legacy Initiative is an opportunity to express our faith through giving. Together as a church family, we want to believe God for more and express our faith by giving above and beyond our regular tithes and offerings to take the Gospel further than we ever have before. We want to create a legacy here that will out last ourselves and establish a Gospel witness here in Rincon, GA and to the ends of the earth. Over the next three years, our goal is to raise \$1.5 million dollars to accomplish five objectives.

1. Plant 3 more Connection Churches.
2. Support our missionaries moving to Southeast Asia.
3. Meet specific needs in our local community.
4. Identify and train a missionary team from Connection Church Rincon.
5. Start Phase I of a 2 phase expansion project for our facility.

OBJECTIVE 1

**Plant 3 more
Connection Churches**

At Connection, we believe the most effective way to accomplish the Great Commission is through church planting. Through our partnership with the Connection Network, we are committed to planting 50 churches by 2050. Over the next three years, we will be able to help plant #9, #10, and #11.

*For more information on the Connection Network, visit
www.connection.church/network*

Estimated Cost: \$75,000

OBJECTIVE 2

**Support our our
missionaries in Southeast Asia**

MISSIONS

Our missionaries on the ground in Southeast Asia are busy learning their first language and getting settled down. They are in the process of starting a business that will gain them influence in the community. We will be able to support them by helping to provide some basic needs like a vehicle, training resources and ministry supplies as they prepare to identify an unreached area and a people group to focus in on.

Estimated Cost: \$50,000

OBJECTIVE 3

**Invest in and meet specific needs
within our local community**

LOCAL COMMUNITY

Poverty, literacy, addiction and orphan care are just a few areas of brokenness that exist within our community.

We want to be a blessing to our city by meeting needs and supporting some incredible organizations that are striving with us to reach people with the Gospel locally.

Estimated Cost: \$50,000

OBJECTIVE 4

We want to send out a team of missionaries to plant a church among an unreached people group.

U N R E A C H E D

3.37 billion people in our world are unreached: they will be born, live and die without ever knowing the love of Jesus. Yet only 1% of church funding and 3% of missionaries work among the most unreached places in the world. Together we can change that by identifying, training, sending and supporting a team of missionaries from Connection Church Rincon, to take the hope of the Gospel to places where it does not exist.

Estimated Cost: \$100,000

OBJECTIVE 5

**Start phase I of an expansion
project for our facility.**

We have a major need to expand our current facility. We believe doing this is going to help us further our mission of "making disciples and multiplying churches among all nations". We are committed to paying off our current renovation loan and starting phase I of a new building that will house our rapidly growing Konnection Kids & Connection Students ministries, and provide adequate office space for our staff.

Estimated Cost: \$1,200,000

PARTNER WITH US.

1. PRAY

First and foremost, please pray regularly for The Legacy Initiative.

2. LEARN

Learn as much as you can about this initiative and the vision it will help us accomplish.

3. MAKE A COMMITMENT

This isn't a contract, but rather a step of faith and a way to commit to a specific way that you intend to contribute. The leadership of the church uses the commitment for planning and moving forward with the vision of the church.

4. GIVE SACRIFICIALLY

The vision God has given us can only be achieved through faith and sacrifice. We have the privilege to be a part of growing His kingdom in big ways.

We believe we respond to the Gospel by bringing God our first and our best because God gave His first and best in Jesus Christ.
