How I sensed the Lord working in the songs, prayers,,and the overall atmosphere of the service.

2 Corinthians 5:16-21, "Represent Well"

V. 16. If we are regarding someone "from a worldly point of view" what are we especially noticing and considering important? Paul writes that he once regarded Christ from a human point of view; what does Christ Jesus look like from that perspective?

V. 17. What does it mean to be "in Christ", and in what ways is someone who is in Christ a "new creation"?

Vs. 18-19, 21. What is the "message of reconciliation" for people; and what does Jesus have to do with it?

- Paul calls people to "be reconciled to God." (v. 20) How might being reconciled to God relate to being reconciled to people?

V. 20. An ambassador represents his/her king and country to the people of a foreign land. What does an ambassador need to know and do - and not do - to fulfill this role well?

- In the context of this passage what message is Paul especially concerned that "Christ's ambassadors" share?
