

“But who am I, and who are my people, that we should be able to give as generously as this? Everything comes from you, and we have given you only what comes from your hand.”

1 Chronicles 29:14

# NO BARRIERS

CONNECTING PEOPLE  
ON ALL LEVELS

A Building Campaign of East Main Church

# NO BARRIERS

CONNECTING PEOPLE  
ON ALL LEVELS

East Main Church exists to honor God by being disciples and making more disciples of Jesus Christ. Yet physical barriers within our building limit who can fully participate in that mission. The *No Barriers...Connecting People on All Levels* building campaign ensures that every person—regardless of age, mobility, or circumstance—can enter, gather, worship, and belong.

As our church continues to grow, the need for accessibility is more important than ever. After much discussion, prayer, planning, and design work, East Main is now positioned to move forward with a clear vision and practical plan for making these improvements a reality.

By supporting this effort, we are opening doors—literally and spiritually—so that all who come through them are met with invitation, dignity, and belonging. This is an opportunity to remove barriers today while preparing the way for future generations to encounter Christ and experience the life of our church.

## High-Impact Improvements:

- **Elevator Installation**  
A centrally located four-level elevator providing full access to our children's ministry, ground level entrance, sanctuary, gym, and balcony.
- **Accessible Facilities**  
Construction of modern, ADA compliant restrooms near the Sanctuary and Welcome Center.
- **Welcome Center Expansion**  
A redesigned Welcome Center with a dedicated hospitality kitchen and improved flow.
- **Ministry Reconfiguration**  
Relocating the Nursery closer to the Sanctuary and reorganizing administrative offices to improve collaboration, communication, and mission alignment.

## Who Benefits?

Young families  
Seniors  
Guests  
Volunteers  
Staff  
Community partners

Proposed rendering. Elevator entrance in location of current garage.

## You Can Help

Our goal is to raise \$1,300,000 to complete the No Barriers building campaign. This is an updated financial goal based on recommendations for enhancements we received over the last few months. No Barriers Leadership shared this revised campaign goal at the congregational meeting on August 30. Reaching this goal will require participation and generosity from our church family as each household considers how God may be leading them to contribute.

**Please consider a gift beyond your regular offering,** trusting that God will use our collective generosity to accomplish far more than we could do alone.

We are not simply renovating a space; we are shaping a future where this community can know and experience Christ. **Join us as we pray, trust, and take the next step of faith together, opening the way for all!**

Please refer to the **Commitment Letter** for details on how to make your contribution and support the No Barriers Campaign.

Partner with us in our comprehensive effort to transform East Main Church's facilities into a more accessible, welcoming, and mission-aligned environment—addressing longstanding challenges in building access, flow, and functionality while strengthening spaces for worship, fellowship, and service.
