To achieve our vision, we are prayerfully seeking to raise \$1,300,000. We invite you to join us in this effort with a gift beyond your regular offering. Please choose a giving level that represents a meaningful act of faith for you and your household, or designate any amount that reflects your heart for this project.

With your generous gift, East Main Church will be ready to welcome every generation, every ability, and every guest who enters through our doors — thank you for being part of this legacy.

Session has appointed a No Barriers team member to walk alongside our congregation throughout the campaign. They will assist our Financial Secretary in pledge tracking and follow-up for the campaign and are available to assist with any questions along the way.
