

Dear Beech Haven Family,

It is with deep gratitude and great joy that I share an important and encouraging update in the life of our church. After a prayerful and thorough search process, the Personnel Committee and I are pleased to announce that Mr. Noah Duncan has accepted our call to serve as Director of Worship at Beech Haven Baptist Church.

From the beginning of this process, our desire has been to find a worship leader whose heart, theology, and philosophy would reflect our mission and core values. In Noah, we have found not only a gifted musician but a true shepherd who longs to see God's people transformed through worship that is biblically grounded, gospel-centered, and joyfully authentic.

Noah comes to us from Prince Avenue Baptist Church, where he has been faithfully serving in college and worship ministry, leading a large team of volunteers and developing future leaders in worship. His approach to leadership emphasizes discipleship over performance, people over programs, and truth over trends. His theological clarity, musical excellence, and relational warmth have been affirmed by everyone who has spent time with him.

What stands out most about Noah is his heart for the local church. He desires to plant his life among God's people, to serve with humility, and to help build a vibrant, multi-generational worship ministry that reflects the unity and joy of the gospel. Noah's fiancée, Parker Kate, also shares this love for the local church and looks forward to finding her place within our Beech Haven family.

On Sunday, March 22, Noah and PK will be here for both services, stationed so you can meet them and welcome them to Beech Haven. Noah will lead worship with our team in April, and he will officially begin his role mid-June, right after his and PK's wedding and honeymoon!

We believe God has prepared Noah for this very season in the life of our church. As he begins his ministry here, please join me in praying for him and Parker Kate—that the Lord would fill them with wisdom, grace, and joy as they settle in and begin serving among us. I also encourage you to extend your warmest welcome when you see them in the coming weeks.

Let us thank God for His faithfulness in providing a leader so clearly aligned with our mission, vision, and values. May the Lord continue to use Beech Haven to draw all generations to the hope we have in Christ.

With gratitude and expectation,  
Pastor Rob
