

# Income-Based Giving

## WORKSHEET

Estimate your projected income and expenses for the next two years to determine when and how much you can give. Use these amounts to establish a schedule of giving (i.e. weekly, biweekly, monthly, etc.) for the next two years. Set up recurring giving using a credit or debit card at [www.lnbc.com/give](http://www.lnbc.com/give), or through ACH by emailing [finance@lnbc.com](mailto:finance@lnbc.com).
