

# BE A PART OF THE POWERFUL MINISTRIES BRINGING HOPE TO GUATEMALA!

The Faith Church 2026 Guatemala mission trip is a mixture of experiences designed to bring you closer to our brothers and sisters in Guatemala through co-training, home and school visits, meals and worshipping together. This trip is designed to build relationships rather than physical structures. We will be building with our hearts and love for Christ. God has a unique purpose for all of us and we are commissioned to share the love of Christ with all of His children. Come see what God has in store for you in Guatemala.

## SHARE THE GOSPEL IN CHURCHES

- Guests will visit three churches and participate in worship services at each. One church is in the city of Zacapa, one in San Raymundo, and 1 church is in the rural city of Juan Ponce. You will share the Gospel, sing, worship and participate in services with the families of these 3 wonderful small churches.

## SHARE THE GOSPEL IN HOMES

- Home visits are an opportunity for a deep dive into building relationships. We visit with families in their homes and get to know what life is like for them. We pull chairs into a circle and talk. We learn about their foods, education, work, medical and family needs. We also share ourselves with them in meaningful ways. We pray together. We pray for all of our needs. We pray for each other. We share our humble dependence on God equally with those we visit. We, the missionaries, give of ourselves and in return God spiritually fills us with what we need.

Pastor Giovanni is a friend of Faith Church in Guatemala who has hosted four previous mission trips to Guatemala for Faith Church.

- The deadline for registration is April 30.
- The cost for this trip is tentatively expected to be:  
Cost of flight + \$700, + Personal Expenses
