

# Shared Responsibilities at the Gravesite

## Cemetery Staff

Cemetery staff have the right to remove any prohibited items or flower displays that have become unsightly or displays that should be removed by a specific time.

Cemetery staff have the right to reset markers or plant stands within the grave site as needed to meet the priority of the cemetery.

Cemetery Staff are not responsible for

- Maintenance/care of plants.
- Stolen plant stands or plants.
- The return of any removed object, decoration, plant, or container.

**Stakeholders must adhere to these regulations. These items are prohibited and subject to immediate removal:**

- Glass planters
- Vases or containers
- Balloons
- Knick Knacks
- Solar lights
- Stuffed Animals
- Hanging Plants on Shepard's hooks
- Wind chimes, windmills, and windsocks

MN Statutes define additional stakeholder responsibilities.
