

# the SOUNDS of CHRISTMAS

• woodland hills family church •

**Messianic Psalms- Psalm 2**  
**December 7, 2025**

**Read Isaiah 7:14**

As we are in this Advent season, are you waiting with anticipation the celebration of Jesus birth? What Christmas tradition can you start this year to focus on His birth?

**Read Psalm 2:1-3 and Proverbs 14:12**

Why are the plots of this world in vain? How did Jesus change our eternal future by his birth? What area of your life are you are trying to break the chains and throw off the shackles of the Lord's rule? Is there any sin in your life that would lead to death, if so, what changes can you make this Christmas season?

**Read Psalm 2:4-6 and Romans 8:38-39**

Jesus has dominion over everything, even death and sin. Nothing can separate us from His love. What area of your life have you have excluded Jesus from ruling over? What changes can you make so He has dominion over all?

**Read Psalm 2:7-9 and Joel 3:16**

If God Immediately poured out His justice on us, we would be in a world of hurt. How can you show God's mercy to others, instead of justice, so they can see God's mercy through you? If you are a child of God, how can you have the ends of the earth as your possession?

**Read Psalm 2:10-12 and Genesis 3:15**

We desire to have the peace of God, but we need to have Peace **with** God first. To have peace with God: First submit, then repent, then confess, then follow Jesus. The goal of our lives is to see Jesus through it all and for others to see Jesus all through our lives. How are you doing with this goal in your daily life?

I know this is repeated but it is so important. Spend some time in prayer. Look at the areas of your life that you have not given over to Jesus. He has dominion overall, but we must surrender to Him. Who is on the throne of your life?
