By Him & For Him

All things come together to sing a song of joy.

Read Col. 1:15-17

Paul wrote the book of Colossians because there were false doctrines being taught in the church of Colossae. What false doctrines that Paul talks about in these verses are still being taught today? What should we do about it? The wording first-born is used in these verses. What is it referring to? Where is Jesus in the hierarchy of authority? What does this mean to us?

By Him-All things in creation owe their existence to Him

Spend a few minutes thinking about and discussing how we can worship our creator and praise Him for our existence.

Read John 1:1

When does Christ enter your story? Are we all created the same?

For Him-We are crafted by God, For His Glory

Read Psalm 139:14

Think about your strengths, gifts, and talents. How has God made you unique? Different from anyone else? How can you use your gifts to serve others and to worship God the creator?

God made us for Him, not for ourselves!! Share your wonderful gifts with others to point them to Him!!
