Mark your calendars for the Family Fun Fest and the Kickoff to Sunday School. We hope to see you there!

Join us on the 2nd Saturday of the month after Saturday night service for dinner and fellowship. Location will rotate.

### Help needed at the Buffalo Food Shelf

The Buffalo Food Shelf continues to see rapid growth in families seeking help to feed their families. In May of 2022, our Food

Shelf saw 173 families. In May of 2021, they had 120 families. At 30 plus pounds of food per person in a family, that is quite dramatic. If you are interested in volunteering, please contact the Buffalo Food Shelf or our St. John's representative, Priscilla McKenzie. Thank you!

### **Sound Technicians Needed**

We are looking to add additional Sound Technicians for our services. If you are interested in joining our team, please contact Jill Marketon or the church office. Our need is

especially for the Saturday 5 PM service and the Sunday 10:30 AM service.

\*\* There would be training provided and you would be on a monthly rotating schedule.

Lutheran High School. The goal of the Timothy Scholarship is to provide tuition assistance to non-Lutheran families so they would pay less than a Lutheran family. This project strategy is to encourage community members who were not Lutheran and, especially, un-churched, to send their children to the school. This program helps to expand even more families to enroll their children in a Christ-centered school with a mission of preparing the next generation of Christian leaders. Please consider giving an offering in our Mites Offering box as you leave worship or take home a box of your own and turn back in! Last month we received: \$311.61.

Here is a list of our Mites Mission Grants for 2022-23:
