The Story

In the wilderness, mankind sinned more and more.
God decided to destroy the world with a flood. But Noah walked with God.

Connecting the Dots

The Noah story is a microcosm of all of redemptive history. The world rebels against God and the rebellion spreads and increases until wickedness fills the earth. This picture shows the world in the opposite position of what God made it to be (Genesis 1:28). Noah is faithful and he finds favor with God. God makes a covenant with Noah that he will destroy the wicked and save the world for righteousness.
