

Hey everyone, I have what I think will be the solution to all our schedule sign up issues! I am going to provide step-by-step instructions on how to access the schedule and sign-up. If you get lost on any step, please reach out to me and I will be happy to help!

Step 1: Download the Google Sheets app on your smart phone.

- Android Link:
<https://play.google.com/store/apps/details?id=com.google.android.apps.docs.editors.sheets&pli=1>
- Apple Link:
<https://apps.apple.com/us/app/google-sheets/id842849113>

Step 2: Open the app and make an account (this should be a quick, easy, and free process). Or you can just sign in if you already have a google account.

Step 3: Click the link below to open the volunteer schedule in your new Google Sheets app.

Step 4: Find the dates and duties you would like to volunteer for, click the appropriate box, and write in your name. Remember, many of the duties need more than 1 volunteer per night so just because you see a name in an area you want to volunteer in, it doesn't mean that duty is completely full. Multiple names can fit in one of the sign-up boxes.

Thank y'all so much again for your willingness to serve! Student ministry could not happen without y'all! If you have any questions, please reach out to me at any time!
