Connecting the Dots

The prophets were God's called spokesmen bringing his message to his people. Their message was "The Word of the Lord to ..." and "Thus says the Lord." God used his prophets to confront his people with their sins and departure from the Lord, to reveal impending judgment, and a call to repentance. There are predictive aspects of the message of some of the prophets such as the seventy years of the Babylonian captivity and the return to Israel. The great predictive message of the Old Testament prophet is about Jesus, his virgin birth in Bethlehem, his sinless life, his death for our sins on the Cross, and his everlasting Kingdom.
