

Please pray for our missionary **Bruce Tissell** in Brazil with World Venture. He is teaching and working on administration tasks for a seminary in North Brazil; a wonderful blessing to the students and the continued work of educating future pastors, missionaries, and faithful servants of the Lord. He offers praise and thanks that the necessary documents required by banks and other government offices have been accepted so now the seminary and World Venture can continue to be official legal entities in Brazil. He is also praising God for recovery from an illness in November. It took almost the whole month to get well. This is a great answer to prayer. Thank you! Please continue to pray for:

1. House documents (a house owned by World Venture) are still held up in bureaucratic red tape, pray that they be released.
2. The many tasks that Bruce must complete before January: creating a class schedule with professors, renewing scholarships, and preparing for the classes he will be teaching.
3. Planning for upcoming celebrations for the 40<sup>th</sup> anniversary of the founding of the seminary, and the 80<sup>th</sup> anniversary of the first arrival in Brazil of World Venture missionaries.
4. Peace in Brazil, there is still a lot of violence in Brazil not only in big cities but also in daily life.
